

## 2012 Global Time Attack Entry and Prize Bounty Details

Entry fee is \$500 per car per class. Teams are permitted to enter one car in different classes providing the car is pre-registered for each individual class and meets the tech requirements for each class (i.e. changing tires to run both Limited and Unlimited). The entry fee for the Enthusiast Class is \$300 per car, the Enthusiast Class cars are not eligible for prize money.

All cars must meet the HPDE Technical Requirements in Section 11 of the NASA Club Codes and Regulations ([download NASA CCR here](#)) in addition to passing GTA Class requirements ([see GTA rules here](#)). All drivers must have a current NASA membership ([download application here](#)). It is the responsibility of a team to ensure that the driver has the proper NASA licensing and the car is compliant with the NASA CCR and GTA rules before entering. No refunds will be issued for a car or driver that cannot pass the GTA on-site tech inspection.

Total prize payout per event with a full field is **\$10,000**.

\*\* A Full Field is at least 3 or more cars in a Division of a Class \*\*
